of the United States, with six already, or in the process of establishment, and Whereas, the purposes of these camps is to have some place in which to detain people who might be "selected" as subversive in time of war or national emergency declared by Congress, and

Whereas, there is now a bill in Congress asking that a state of emergency be now declared, we look with great concern upon said bill as a serious infringement upon civil liberties, since it marks for detention camps those persons "as to whom there is reasonable ground to believe that such persons will engage in or probably will conspire with others against anyone who holds an unpopular opinion. ## VI

## REPORTS

## A. REPORTS OF BOARDS AND INSTITUTIONS

*Note.*—For the sake of economy in publishing costs, the following reports are abbreviated summaries of those submitted to the Annual Conference. This is particularly true where mimeographed reports were distributed at Conference.

## 1. CONFERENCE BOARD OF EDUCATION

Executive Secretary's Report  
Year Ending May 31, 1952

*Leadership Training* has consisted of

1. The Annual Laboratory School with an exceptionally fine corp of teachers and students.
2. Three Observations Schools.
3. Camp Training Sessions for deans, directors and faculty.
4. Vacation School Institutes.
5. Personal Conferences with local church, sub-district and Conference leaders.
6. Meetings with Workers, Conferences, Boards of Education and Parent groups in the local church.

*Audio-Visual Aids*—Under the leadership of Fremont Faul and his Committee a number of churches have each contributed \$10 for the purchase of new film strips. This entitles a church to free service of all material in the office. Remember the fine Audio-Visual Kit on leadership training is most useful. This material is ordered from the office secretary.

*The Summer Activity Commission* under the leadership of Harold Shellhart and his three committee chairmen: Program, James Jenkins; Publicity, Hubert Bleything and Purchasing, Clyde Walker have functioned exceptionally well through the year. *Camp Sites Commission* with Frank Phelps as chairman has finished a good year. A separate report is included.

*Family Life Conferences* following the Chicago Conferences under the leadership of Albert Wilson and his Committee have proved helpful. We recommend one for each sub-district.

*Junior Camps* are reaching beyond our expectations with 306 children and a staff of 70 for the past summer. "God's Plan for Life" is the theme for 1952. Directors: Suttle Lake, Harold and Esther Shellhart; Myrtlewood, Dorothy Harding; Magruder I, Robert and Dorothy Irwin; Magruder II, Mrs. Lee Alfred; Magruder III, Douglas Harrell.

*Adults of the Golden Age*—a rich experience for persons 60 and above in the summer camping three days at Magruder. Dr. Milton Marcy, Dr. Herman Clark, Dr. Guy Goodsell, Mrs. Frederickson and others will help to make the summer's experience one your older adults will remember.

*Young Adult Conference July 3-6*—this is a new project for this year, not a camp but three days of hard work and planning as adults under 35 look at the church's program and their relationship to it. Robert Clemmons of Nashville is the special resource person. Other capable Conference leaders are assisting. We are hopeful that every local church will be represented.

In closing my report I want especially to thank M. A. Groves as chairman of our Board for the work he has done. Olivia Olson has done an excellent piece of work throughout the year. She is loved by youth and adults. Helen Ufimtzeff, our office secretary, keeps the routine of office work moving with her hard work. Together we labor in Kingdom Building.

Respectfully submitted,  
Pearl E. Sherlock

## 2. METHODIST YOUTH FELLOWSHIP

Last summer the youth all over the state raised money enough by washing cars, selling food, and doing odd jobs to send 25 youth to National Convocation on the Purdue campus in West Lafayette, Indiana. During the year, through our penny-a-day plan which was suggested by last year's president, Dave Handy, we raised our MYFund giving by \$794.24 to a total of \$2,724.00 for this year. Our other works, such as fellowship teams, participation in sub-district rally programs, etc., were carried on throughout the year. On February 22, 23, 24 our 7th Biennial conclave was held in Sweet Home under the theme of "Let Go—Let God." Over 575 people attended.

From the last meeting of the Conference council came the recommendation that next year's council investigate the possibilities of reorganizing the Conference Council in order that it might be more effective.

As to the future, we are on the upswing. There is good reason to predict much success for the Oregon Conference of Methodist Youth.

*Richie Wilbanks*

Oregon Conference of Methodist Youth

Youth work in three sub-districts has been reactivated with counselors selected, officers elected and fellowship enjoyed on the "beyond the local church" level. Sub-districts offer training workshops for officers of local MYFs besides fellowship and inspiration for all who participate.

This spring work with Intermediate leaders has been established in most sub-districts. "Let's Go Camping" rallies with the intermediates themselves were also held.

Camps last summer reached 310 intermediate youth and 59 of their adult leaders from 101 local churches. High school institute dropped a bit, but even so, 263 youth of this group and 79 adult counselors from 79 local churches were in these camps. This summer with your help we can do better.

Respectfully submitted,

*Oliva Olson*

Conference Director of Youth Work.

## 3. WESLEY FOUNDATION

### SOUTHERN OREGON COLLEGE OF EDUCATION

Oregon Conference's newest Wesley Foundation, at Ashland, has enjoyed a substantial growth during the past year. Ninety of the 600 students indicate Methodist preference.

Forty-five students have been active in the program of First Methodist Church and Wesley Foundation in spite of our handicap of being two miles from the campus. The evening Wesley program attendance has averaged 18.

A delegation of 10 made the 700 mile round trip to attend the spring O.M.S.M. conference at Camp Magruder.

Sunday evening programs featured live student led discussions and worship, with occasional guest speakers or use of slides or motion pictures.

Respectfully submitted,

*Ross Knotts*

Pastor-Director

### OREGON COLLEGE OF EDUCATION

Forty-five of the eighty-five Methodist Preference students participated in the programs of the Wesley Foundation and the Methodist Church in Independence.

The lack of an adequate meeting place levied handicaps upon the program which were hard to overcome. The dormitory room, which Wesley has used since its inception in 1949, was restricted in November for dormitory use only; the quarters furnished by the college in the Recreation Building proved to be most unsatisfactory due primarily to the lack of adequate heat. The need for a permanent home for OCE Wesley is great and cannot be over-emphasized when one considers the tremendous influence which the future teachers graduating from OCE will have upon the minds of children everywhere.

To stimulate the day when OCE will have a Wesley House, the students at

**4. BOARD OF EVANGELISM**

Your conference Board of Evangelism wishes first to express its deep debt of gratitude to Bishop Kennedy and our District Superintendents for their inspired leadership in the United Evangelistic Mission which climaxed the first Jurisdictional wide Mission in Methodism. The Portland Area led the Jurisdiction in the number of persons won to Christ. This achievement demonstrated that not only united we stand, but united we move forward. The Oregon Conference won 3,207 persons on profession of faith, or one for each 11 active members. Yet, we visited less than one-half of our prospects during the Mission.

The General Conference did two things for Evangelism: First, there is to be a Commission of Evangelism in every local church. The second, there is to be launched a world-wide United Evangelistic Mission. The period of preparation is to be from World Communion Sunday, Oct. 5, 1952 to Watch Night Service, Dec. 31. The time of the intensive world wide program is from Jan. 1, 1953 to Pentecost Sunday and Aldersgate Sunday, both of which come on the same day in 1953.

To accomplish this we recommend a conference-wide Evangelistic Mission based upon the same basic pattern that we used this last year with such effectiveness. The Schedule to be:

First Series, February 12-20  
Second Series, March 8-13

The details to be worked out by the cabinet with the assistance of the Conference Board of Evangelism.

Carl B. Mason, Secretary

their Spring Planning Retreat at Camp Magruder instigated plans for their own "Building Fund."

 Pastor-Director, OCE Wesley Foundation

### OREGON STATE COLLEGE

With 906 Methodist Preference students we have hit the "low" in student population so the experts tell us. By 1960, the enrollment at Oregon State is expected to double.

This means that where there are nearly 1000 Methodist preference students, there will be 2000. One-fifth to one-fourth of the student body will be Methodist. The same percentage should hold true for the faculty members too. How are we to meet the challenge of tomorrow?

Since Annual Conference one year ago:

Two outstanding young couples have gone to India in service to their Church; a boy is leaving for service in rural agricultural work in the Philippines; a girl enters Scarrit College for further training; a girl enters the mission field for service in home economics; and several are participating in summer service projects.

Respectfully submitted,  
*Earl W. Riddle*, Director,  
 Wesley Foundation at Oregon State College

### UNIVERSITY OF OREGON

The parish of the Wesley Foundation extends this year to 515 students. Of those nearly 100 are married students, approximately 220 indicate membership in the Methodist Church and the rest are in the group expressing Methodist preference. Of the total group, all have been informed of Wesley Foundation by mail and half of them have been met personally by active Wesleyans and the director. 150 students have been active in Wesley's program during the year. Many others were occasional visitors.

The program of the Foundation during the first term centered on visitation of new students and assimilation into the fellowship. Major discussion sessions focused on the basic concepts of our Christian faith. This grounding in fundamentals led into the Winter Term program called the "University of Life" extending through three major courses given each Sunday evening: "Understanding Ourselves," taught by Mrs. C. A. Mockmore, former Dean at Oregon State College, and Dr. Wayne Stauffer of Eugene; "Interpreting the Bible," taught by Rev. Ellsworth Tilton; and "Bold New Program," a survey of the needs of the peoples of the world and the plans of the church, government, and private institutions, to meet these needs, taught by Rev. David Seaman. These three phases of the Christian message attracted 155 students and the average attendance was 70. This was by far the best attended program of any other religious group on the campus this year.

There are a number of persons interested in Christian vocations. Some 18 have expressed deep concern for the possibilities. Of this group one boy has made his application to Boston University School of Theology. He will join there a former Wesley president of two years ago, Robert Kingsbury. Two girls are definitely intending to enter Religious Education work and a number are interested in social work.

## SALEM DISTRICT

*Leland Sackett, District Lay Leader*

The activities of the men of the Salem District started with the summer camp at Suttle Lake, at which time our Superintendent, Dr. George G. Roseberry, made his initial appearance. Our churches were well represented and a number of new leaders were in attendance who had not previously attended our summer retreats.

Much of the emphasis during the fall months was concentrated on the Christian Stewardship program, starting with the October meeting at First Church, Portland, of Area Leadership including those from the Women's Society. These meetings were followed by district and sub-district meetings with various phases of Christian Stewardship being featured in numerous ways through local churches' programs.

Sub-district meetings have been held at Tenger and Independence and an all-district gathering occurred at Albany in April. All of these meetings were well attended. There has been renewed interest in the organization of Men's Brotherhoods throughout the district and at least two new groups have been formed.

We appreciate the loyal devotion of the men of our District Cabinet and the leadership of our District Superintendent, whom we have come to love during the short time we have been with them. We have capable and helpful groups of local leaders and we look for greater things in the times to come.

## SOUTHERN DISTRICT

*John S. Billings, District Lay Leader*

The Laymen of Southern Oregon have been extremely active this year in promoting the work of the kingdom. Many are their activities and considerable has been their success. Outstanding has been their great Visitation Campaign, at which time the laymen of Southern District experienced some of the greatest joys of their lives as they went out two by two into their communities to talk with people concerning their spiritual life. The results of this campaign have been very, very satisfactory.

Other projects this year have included many missionary undertakings and relief projects. Several of our churches have remodelled their church and done extensive parsonage repair.

Methodist Men's activities and Fisherman's Clubs have continued to find favor in the congregation and the work they are doing is of tremendous value.

The churches have participated in the usual Laymen Day activities and many laymen have assisted in the conducting of services in other church and communities.

Many Southern Oregon laymen have been quite active in the construction program of the Wesley Foundation building in Eugene and are now turning towards the fast growing Wesley Foundation of the Southern Oregon College.

Respectfully submitted,  
*Lloyd E. Gilson,*  
Conference Lay Leader

## 5. HISTORICAL SOCIETY

Two meetings of the Historical Society have been held during the year, besides several committee meetings.

Two volumes of Methodist history by Wade Crawford Barclay have been purchased to add to our historical library. These are titled, "Missionary Motivation and Expansion" and "To Reform the Nation." These will be loaned to those wishing to read them.

Also a number of volumes and files of clippings on various historical subjects—mostly by William Wallace Youngson—and also a church record of the former Methodist Church at Carlton—have been placed in the historical library at Willamette University.

\* \* \* \*

An earnest appeal is here made for any church records or other official papers of those churches which have once been active Methodist Churches, but have now ceased not only as Pastoral appointments, but have ceased to exist as churches. Or if anyone knows the whereabouts of such records we would appreciate it if such information would be sent to the Conference Historical Society.

Respectfully submitted,  
Thomas D. Yarnes,  
Chairman

## 6. BOARD OF LAY ACTIVITIES

This year the conference lay leader has had many, many added responsibilities as he has visited and taken part in services and meetings over the conference. Help has been given men of the churches as they have planned and organized regular Methodist Men's groups. Nearly 9000 miles were travelled by the conference lay leader during the year. We take courage as our great church moves forward in building the kingdom of our Lord and Saviour Jesus Christ.

## FOREST GROVE DISTRICT

*Russell Nelson, District Lay Leader*

The Forest Grove District Annual Layman's Institute was held at Camp Magruder August 3-4-5. The theme of the institute was "To Serve the Present Age." Attendance has been growing each year at these camps, with more and more churches being represented. An able committee has been at work for some time on the program for this year's institute, which will be held at Camp Magruder July 18-19-20.

Two clubs of Methodist Men have been chartered. One at Oregon-City and one at Forest Grove. Layman's Day was observed in most of our churches.

A District Men's Banquet was held at the Hillsboro church April 25th. At this meeting a district wide organization of the men was formed with Tom Hilson of Forest Grove elected president.

## PORTLAND DISTRICT

*Howard B. Somers, District Lay Leader*

One of the most significant organizations operated by laymen in this district is the Portland City Church Extension Society of which the three Portland members of the Board of Lay Activities are members. This Society serves as a clearing house for support to new and growing churches.

Again this year Methodist Men were the guests of the Rose City Park Church at its annual BISHOP'S DINNER held February 20th. This is always a high spot of interest in pointing up the worth of our men's work.

District Board members attended a Conference Lay Leaders retreat in Salem. During May the District Lay Leader gave emphasis among Methodist Laymen to encourage attendance at the mass meeting held May 25th at the Civic Auditorium by the Department of United Churchmen of the National Council of Churches.

## REPORT OF THE MISSIONARY SECRETARY

Bishop Tippettt traveled the Conference this year giving a report on his travels through the foreign missions field.

Many churches have had a Missionary Education Conference in their local churches this year.

Rev. Paul Wagner, missionary from India traveled through the Conference speaking in each district.

Rev Thompson of Japan traveled through the Conference speaking in each district.

## Advances Noted:

1. An increase of \$4,904.00 in World Service and Conference Benevolence giving, or about 5%.
2. 90 churches overpaid their acceptances.  
40 churches paid their acceptances in full.

## Plans for Next Year:

1. Emphasis on local church school of missions.  
Goal: a school of missions in *every* church for *every* age group.
2. Emphasis on every member canvass. Goal: Every member of every church in the Oregon Conference personally asked to make a pledge to World Service.

Berlyn Farris,  
Missionary Secretary

## 9. BOARD OF TEMPERANCE

We ask the hearty cooperation of all local churches in the observance of Commitment Day, the fourth Sunday in January, as a time for Temperance emphasis and education, and the commitment of life to a dedication of total abstinence.

We ask the Cabinet to nominate a strong committee on Temperance for the next quadrennium, that District Superintendents and District Conferences see to it, that a District Secretary be appointed to carry on the Temperance Program on a District as well as, on a Conference level.

We pledge our support to the Oregon State Council of Churches Committee

## 11. INTER-BOARD COUNCIL

The Inter-board Council is made up of representatives of the various boards and commissions of the Conference. These meet at least twice each year for planning sessions where the program of each board is briefly outlined. Then a total Conference program and calendar is made. A total budget for the various boards, committees and agencies is worked out annually by the Inter-board Council and is presented to the World Service and Finance Commission as a single unified asking. These procedures have greatly increased the efficiency and effectiveness of each board and have maintained a spirit of cooperation and good will where competition for time and funds could easily exist.

The major factor in the success of the Inter-board Council has been the efficiency of the Staff. Miss Pearl Sherlock has done an outstanding work and we look forward to her continued service. We regret to announce the resignation of Miss Olivia Olson as Conference Youth Director for Oregon and have proven the wisdom and need of continuing such a director. We are pleased to announce that her successor will be Eugene Laubach who is well qualified for the work. He will have the title of Associate Executive Secretary but will continue the work of the youth director plus assisting in the total Inter-board program. The office secretarial work is efficiently handled by Miss Helen Ufimtzeff.

Edward Terry, Chairman

## INTER BOARD COMMISSION ON CHRISTIAN VOCATIONS

Your Inter-Board Commission on Christian Vocations is grateful for this opportunity to report to you the major activity of the year. In cooperation with the Conference Director of youth we provide leadership for a section on Christian Vo-

on Temperance and commend the excellent work it has accomplished in the past few years.

We heartily endorse the Oregon Temperance League and its program and request the nominating committee to name representatives to the Board of the Oregon Temperance League.

Respectfully submitted

The Board of Temperance of Oregon Conference

Albert E. Place, Chairman

## 10. BOARD OF TRUSTEES

The title to various properties belonging to the Conference is vested in the board of Trustees and so are certain trust and other funds. At the present time we have title vested in the Board of Trustees to all of the abandoned property in the Conference. Also to the Campsites and the various property in connection with the same. The Bishop's Residence which, of course, is an area property, but the title is vested in the Board of Trustees of the Conference. There are certain trust funds, namely, the fund of \$12,000.00 left to Camp Magruder under the Last Will and Testament of Dr. Magruder, the income to be used in the support of youths unable to attend except for assistance; then there is the Carrier Trust Fund which is held in trust by the Board of Trustees of the Conference.

As we reported to you at last Conference, the property at Redmond was sold upon contract and was occupied as a church by the organization purchasing the same. They had a disastrous fire and the church building burned down. The insurance covered both the church and the parsonage and the insurance was hardly adequate to cover our loss, however, the organization purchasing the same is now rebuilding and we have permitted the funds to be applied to the new building. They have raised a sufficient amount of labor and material to complete the same. They are making their monthly payments which have been paid to the treasurer of our Board and we believe this is in good shape.

The parsonage at Peoria, Oregon was sold for \$800.00 and the money deposited with the Treasurer of the trustees of the Conference.

The church at Sandy, Oregon, was sold for \$2,500.00 after negotiations running over several years. A deposit has been paid of \$1,000.00 and we had a great deal of difficulty in getting the title straightened up. However, we are now in a position of just closing this transaction.

The church at Alba was sold for \$310.00, there was a net of \$60.00 received in the transaction after paying the Board at Philadelphia \$250.00.

The Church at Brownsville which we have been attempting to sell for a number of years is in the process of being sold to the Church of Christ. We are anxious to close this transaction as this church has been vacant for many, many years.

The parsonage at Metolius is in a bad condition and there is an effort being made to dispose of it as soon as possible.

The church at Friends in Wasco County was abandoned a number of years ago. The building was wrecked and the trustees of Dufur Methodist Church have paid the taxes on one acre of land for a number of years.

The church at Antelope in Wheeler County has a fairly good building, 200x150, and is used occasionally by the Sunday School Union. It has been declared abandoned.

The Grace Methodist Church of Portland, Oregon, was declared abandoned by action of the Conference of 1951, placing title of the church in the Conference trustees. There has been negotiations in regard to the sale of this property and it is anticipated that it will be sold within the near future.

We have made an effort to see that all of this property standing in the name of the Conference is properly insured against loss by fire.

Respectfully submitted

F. M. Phelps

Chairman of Board of Trustees

Two tasks which have been under consideration for a long period of time were accomplished this year. The *Articles of Incorporation of the Woman's Society of Christian Service* of the Oregon Conference were revised and adopted. The *Articles of Incorporation of The Methodist Home* in Salem were revised with principal changes in name and membership. The words "Old Peoples'" were dropped from the former name of The Methodist Home, and the membership of the Corporation was changed from the total voting body of the annual meeting of the Conference Society to a designated 47 persons. The able and generous legal counsel of Dr. Charles G. Howard on these matters is greatly appreciated by the Conference Society and the Home Board of Managers.

Important in the business of the year was the decision to cooperate in the work of Linnton Community Center. \$1500 was pledged this year for building improvement. This will, in a small way, begin again the work abandoned when the Manley Center was sold.

Cultivation in the Conference was promoted by five Division women, by Miss Miriam Brattain, returning J-3 missionary, and by constant efforts of other Oregon missionaries, District, Conference and Jurisdiction officers.

## B. REPORTS OF COMMISSIONS AND COMMITTEES

### 1. COMMISSION ON TOWN AND COUNTRY WORK

Two national conferences have highlighted the Town and Country Work this past year. First, the second quadrennial National Town and Country Conference held at Sioux City in July to which Oregon sent sixteen delegates. Second, the annual Inter-denominational Town and Country Convocation held here in Portland last fall. Methodists of Washington and Oregon joined with other denominations in sponsoring this convocation.

Other activities of the year:

1. Nine Methodist churches won recognition last July in the Rural Church Improvement Contest sponsored by the Oregon Council of Churches. This year twenty-four of the fifty-six churches entered are Methodists.
2. Cooperation with the Board of Evangelism and others in promoting the United Evangelistic Mission.
3. Gave scholarships to the non-departmentalized section of the Laboratory School.
4. Promoted observance of Rural Life Sunday.
5. The secretary, Rev. Howard L. Graybeal spent several promotive cards and letters to Town and Country pastors as well as contributed regularly to the "Newsletter" published by the Methodist Rural Fellowship under the editorship of Rev. Claude A. Brown.

Recommendations:

1. That each Town and Country church appoint a "Farm and Home Committee" which is an optional committee (Para. 148, sec. 10-1948 Discipline).

cations at the Youth Conclave at Sweet Home. There were seventy five young people in this group made up of upper classmen in High School and College students. They were given opportunity to hear about needs and discuss opportunities of service in four fields: World Missions, led Mrs. Paul Means of Eugene but formerly of Malaya; student work, presented by Rev. Earl Riddle of Wesley Foundation at Corvallis; Director of Christian Education in the local church by Rev. James Jenkins, 1st Church, Portland; and the ministry presented by Bishop Gerald Kennedy.

With deep appreciation, your commission calls to your attention the good work that is being done in our summer camps and in the college student program in our conference to keep before our youth these great areas of life that need young people of talent and daring devotion to Jesus Christ.

By action of The General Conference there is to be a committee on Christian Vocations in each local church. That may help, but no committee appointments will atone for the personal failure of the minister to search out the most able young people for these church related vocations.

Ralph G. Kleen, Chairman

## 12. OREGON COUNCIL OF CHURCHES

We are glad to report that this year 25 Methodist churches are taking advantage of the Oregon Council's Town & Country church Improvement Project with cash awards furnished through the cooperation of the Sears, Roebuck Foundation. The awards will be made at Corvallis at the Leadership Institute for Town and Country Churches, July 15.

Another new development of the Council has been the work of the Committee on Institutions, through which some 20 volunteer aides have been assisting the State Hospital at Salem.

The program of the Council is in line with Methodist goals. Effective city and county councils can help to further the state-wide program. We commend the Oregon Council of Churches to our respective congregations and urge their full cooperation and support.

Dean C. Poindexter, Chairman

Outstanding in the *children's work* this year was their gift to the Lavinia Wallace Young Community Center in Alaska. The request to the children of Oregon was for money enough to send a record player to the children of Alaska. The enthusiastic response brought enough to buy the record player, \$18 worth of records, \$78 for new shoes, and \$77 cash for the Center.

In *Youth work*, 16 scholarships for the Summer School of Missions were established for senior or college age girls as a result of the highly satisfactory trial last summer when ten girls attended, living for five days with the missionaries and youth leaders who were present.

Among *students*, Mrs. Oscar Chappell has been actively presenting the challenge of Christian vocations. 100 boxes of cookies have been sent to foreign students on campuses by Societies. \$225 worth of books were purchased for Wesley libraries and \$222 given for travel expense of youth delegates.

The *Wesleyan Service Guild* has assumed their first project outside regular giving. They will provide living expenses for Deh Hua, Malayan girl will attend Willamette for the next four years.

There has been increased interest in *study classes*, due in part to the educational seminars held on each District. Excellent plans have been made for the 9th Annual Summer School of Missions at Magruder, July 13-18 and the Guild week end following.

A letter was sent to every Society suggesting minimum furnishings to be supplied for parsonages by churches.

#### 4. INSTITUTE SITES COMMISSION

At Camp Magruder various improvements have been made, including an entire new kitchen in Bunchelow Lodge, making it suitable for handling groups of 50 to 100. New linoleum has been laid and numerous repairs have been made, including a kitchenette in Smith House and a snack bar for smaller groups. We are desperately in need of a boat house and work shop. The boats deteriorate very fast when they are not under cover during the winter time, and it is necessary to have some place for the caretaker to work during the rainy season. It is estimated this will cost about \$4,000.00.

At Suttle Lake the ball field and swimming area have been improved, the water supply has been made adequate for use, the dark room completed, pipe laid below freezing level, a generator installed, and lavatory and toilet facilities improved. There is need for an adequate caretaker's quarters and an infirmary.

Camp Myrtlewood is operating in rented quarters; however, we are looking forward to a campsite in Southern Oregon in the not too distant future. Each year it becomes more and more difficult to get necessary time for camp activities.

The buildings on all campsites are adequately insured on a 90% basis. We have on hand in the capital account for Suttle Lake \$1,296.58, in the capital account for Camp Magruder \$1,483.88, and for Camp Myrtlewood there is \$9,657.32.

During the last year, 4387 different individuals attended these camps which includes summer camp and week ends.

Last year by your action a day was set aside to be known as Campsite Day, when publicity would be given in all our churches to the campsites and the work being done there, and an offering would be taken. We of the Commission appreciate this. It is good to be supported in our undertakings. You also authorized us to go on a quiet hunt for funds. We are again requesting that a day be set aside and designated as Campsite Day, and that each and every church be requested to feature the campsites on that day, in order that they may be brought to the attention of the congregation. We are further requesting that your commission be authorized to present the needs of these camps to private individuals, and to obtain gifts to carry on the work of construction. We need your prayers and your help. A long steady pull together will bring final victory in the end.

Respectfully submitted,  
F. M. Phelps,  
Chairman  
Campsites Commission

### 9. COMMITTEE ON WORLD PEACE

To abolish war from among us every Christian must come to see the truth of the statement put forth in this study:

"Every war, from the Christian point of view, is a civil war, a war between brothers. Wars come into actuality by reason of the failure of our educative societies (including the Church) to establish in the minds of people a concept of just law and fair practice, *universal* in scope."

We heartily agree with the Episcopal Address and their position on disarmament:

"The theory upon which the Western allies and their communist antagonists are operating is that their only security lies in amassing such a weight of armaments that nobody will dare challenge them. This theory has repeatedly been tested in history. It has never yet brought peace. It is morally fallacious, and deep in our hearts we know it brings only a specious and trembling sense of security. In the U. S. Congress not only demands our money in stunningly pyramided taxes but the Pentagon would tap our sons on the shoulder and seek to place them in peace time in a military camp under the authority of a system of Universal Military Training. This radical departure from the American Way of life is both unnecessary and morally dangerous. Gloss it over with every clever euphemism, conceal it under pages of propaganda, the fact remains: military training is training in the science of being an efficient killer. War is not glory, it is jungle strife. To take the successive generations of our youth from their normal relations to home and school and Church, and thrust them at the formative years of their early manhood into the abnormal associations of military encampments, under the authority of officers whose right to We close our report with the last paragraph in the spirit of the General Conference report on "The Church and War and Peace."

"We who are Christians profess that Christ came to demonstrate the character of God, and reveal that God is love. Love is the power of God at work in human relations. Against such power, no earthly barriers can prevail. This power can be ours. We need only dare to use it."

The Committee on World Peace  
Harold S. Shellhart, Chairman

### 10. COMMISSION ON WORLD SERVICE AND FINANCE

In bringing this final report of the quadrennium, your Commission on World Service and Finance desires to emphasize a statement made in the Report of the General Conference Commission on World Service and Finance to the General Conference at San Francisco:

"We regard the World Service Fund as basic in the Church's financial program. World Service apportionments represent the MINIMUM need of the general agencies of the Church, and the payment IN FULL of these apportionments by local Churches and Conferences has prior claim over other benevolent appeals."

#### A. General Items

1. The report of the Commission as amended and passed shall be printed in the Conference Journal as the action of the Conference.

minimum, (see Conference Rule 27 Sec. 3). The Conference Committee on Minimum Support will administer the minimum salary plan and will be responsible for collecting and distributing the fund.

8. For the support and expense of the District Superintendents, we recommend the continuing apportionment to each charge equal to 9½% of the pastor's cash salary, which will produce approximately \$34,000. This money shall be received and banked by the Annual Conference Treasurer and distributed by him as follows:

- A. Each District Superintendent shall be paid an annual salary of \$5,000.  
 B. Each District Superintendent shall be paid an allowance of \$1,000 per year in lieu of house rent.  
 C. The District Superintendents shall be allocated annual expense accounts not in excess of the following amounts.

|                       |        |
|-----------------------|--------|
| Forest Grove District | \$1500 |
| Portland District     | 1500   |
| Salem District        | 1650   |
| Southern District     | 1800   |

This shall cover all expenses in connection with his duties as District Superintendent. Each District Superintendent shall file a monthly expense account with the Treasurer of the Conference on forms provided by the Conference Treasurer to become part of the records of the Commission on World Service and Finance.

- D. An amount equal to 17% of the District Superintendents' cash salaries shall be paid to the Conference Claimant's Fund.  
 E. A maximum of \$275 is allowed for the moving expenses of a District Superintendent.

9. Annual Conference Administration funds shall be apportioned to the charges by the District Superintendents. They are:

When the Annual Conference Benevolences have been paid in full, any overages shall be paid to World Service until that apportionment is paid in full; any further overage shall be divided equally between World Service and the Oregon Annual Conference Benevolences.

5. The Interboard Council is directed to set aside \$100 of its appropriation for postage and mailing for the use of boards and commissions not now included in the Annual Conference Benevolences.
6. The new items in the Conference Benevolence budget this year are: Harris Street Church, Eugene—\$1,000; Board of Temperance \$250.
7. The total of benevolences as recommended by the Commission is as follows: West German Church's Emergency Relief Fund, \$1,456; for World Service, \$69,331; for Conference Benevolences, \$46,670—Total, \$117,457 (see schedule A.) 8. Special Campaigns: We recommend that—
  - a. Willamette University Sunday be observed on November 9, when the cause of the University may be presented and a special offering taken for it. It is the hope of the Commission that this offering may be increased throughout the Conference so as to approximate the General Conference suggestion of 50 cents per church member in the Annual Conference.
  - b. The Pension Fund, which was begun in 1946, shall be carried on until the \$217,760 goal is realized, on the quotas adopted by the 1947 Annual Conference; and that Conference Veteran's Day be observed December 7 in all the churches; and that a free will offering for the Minister's Reserve Pension Fund be received.

#### *C. Other Items*

1. The percentage approved by the General Conference for the Episcopal Fund as an apportionment to each charge is 1¼% of the pastor's current salary.
2. To raise money for the Bishop's residence, an assessment of ¼ of 1% of the pastor's cash salary is continued in accordance with the action taken at the 1949 Annual Conference.
3. The General Administration Fund apportionment to this Conference for the year 1952-1953 is \$2535. This fund shall be apportioned to the charges on the basis of the Oregon Annual Conference approved schedule of apportionments.
4. The Interdenominational Cooperation Fund annual apportionment for the quadrennium 1952-1956 shall be \$2028. This fund shall be apportioned to the charges on the basis of the Oregon Annual Conference approved schedule of apportionments.

NOTE: Churches which have been making direct contributions to either or both, National Council of Churches, or World Council of Churches, should now channel them through this fund.

5. The Jurisdictional Conference Expense Fund for the year 1952-1953 is ¼ of 1% of the pastor's cash salary as published in the 1952 Oregon Conference Journal.
6. To pay the Conference Claimants annuity rate of \$31.00 requires approximately \$89,053. The present plan of apportionment will produce approximately \$75,197 which, together with the receipts from the Methodist Publishing House, the Board of Pensions and the Chartered Fund, and the accrued interest on Conference funds, will provide income sufficient to meet this annuity rate.
7. The total necessary to maintain the schedule of minimum support is provided by an amount of \$7160 in the Minimum Support Fund which shall be an amount equal to 2% of the pastor's cash salary, to be obtained by apportionment to the charges on the Oregon Annual Conference approved schedule of apportionments. ### PROCEDURE IN BECOMING A METHODIST MINISTER

This is information based on Par. 150, 301-341, and 670-675, as the Oregon Conference Board of Ministerial Training and Qualifications understands these provisions.

**QUALIFICATIONS (Par. 301).** Persons professing to be called to preach must show evidence for the following qualifying marks:

1. A practical knowledge of God in experience.
2. Gifts, such as sound understanding, judgment, and a clear conception of salvation, and of the Kingdom of God.
3. Fruits, or evidence that a candidate is able to assist his fellows in a knowledge of God, and in serving the Kingdom.

### LOCAL PREACHER'S LICENSE

1. (Par. 675) Appear before the District Committee on Qualifications of Local Preachers.
2. (Par. 303) Complete the Work prescribed for candidates for license to Preach. (See conference minutes. The *Student Handbook* will show assignments and required work in each course). This work must be done through the Conference Board of Ministerial Training.
3. (Par. 303) Must pass a satisfactory written examination in the discipline, and agree to abstain wholly from the use of tobacco.
4. (Par. 150 & 330) Upon recommendation of the District Committee the license shall be issued by the Quarterly Conference after written secret ballot. This license must be renewed annually, unless or until the candidate is admitted on trial into an annual conference, or has become an accepted supply.
5. (Par. 304) In case a local preacher is a candidate for the travelling ministry, and is pursuing regular courses of study in one of our theological seminaries or in a university or college approved by the authorized standardizing agency, he may be excused from examinations, but he must still secure a license before he can preach.

### ACCEPTED SUPPLY

1. Local Preachers seeking to become accepted supplies shall appear before the Conference Committee on Accepted Supply Pastors and ask for its recommendation to the Annual Conference for such status.
2. (Par. 320) Accepted Supply pastors who are giving their full time to pastoral work under a district superintendent are required to take the conference course of study, including the course for admission on trial. We strongly urge that this work (Course II) be done by correspondence with one of the correspondence schools listed in the Oregon Conference Minutes.
3. (Par. 320) Except in a few unusual circumstances, named in the Discipline, any accepted supply pastor who fails to complete two years of the course of study within four years, or who shall fail to complete the entire course of study within eight years, may not be employed by a District Superintendent.

### ADMISSION ON TRIAL INTO THE ANNUAL CONFERENCE

1. (Par. 321) A candidate for admission on trial to the Annual Conference must submit to the registrar (Ross Knotts) a recommendation from the District Committee on Qualifications of Local Preachers, and secure from the registrar blanks to be filled out and returned to the registrar well in advance of the Annual Conference meeting. These questions will cover all information sought in Par. 321.
